Mission Serving Thanksgiving Dinner

FREDERICK, MARYLAND, Thursday, November 21, 2018 — Volunteers and Chef Andy Anderson of the Mission have been preparing a traditional Thanksgiving dinner with all the trimmings in preparation for large crowds tomorrow. If the weather forecast is correct and it turns out to be the coldest Thanksgiving in Maryland history, those who need it can count on the Mission to open their cold weather warming shelter for the day.

This annual event is free to the public and provided by the kindness and generosity many volunteers. Donations have been pouring in from the community to ensure that those who need it most will be treated to a beautiful Thanksgiving dinner with all the trimmings. The dinner will begin at noon and will take place in the Mission's cafeteria, located at 419 W. South Street. ###
