ACDi Charity Golf Tournament History

ACDi is a Frederick, MD headquartered electronics manufacturing services company. For the past 10 years, 2019 being our 11th year, the company has been fortunate to have a dedicated group of individuals with giving hearts lead the charity golf tournament.

The charities have changed over the years, but have largely been focused on helping women and children's programs in Frederick County, MD. One hundred percent of the proceeds from the event have gone to organizations like Heartly House, Christmas Cash for Kids, Patty Pollatos Fund, and of course Faith House.

This year we are introducing sponsor opportunities for individuals and companies to consider, in addition to raffle donations. One hundred percent of the proceeds from the event will benefit Faith House in Frederick, MD, a safe place for homeless women and their young children. Please consider supporting the event this year with a sponsorship, golf registration, and/or a raffle donation.

Faith House and ACDi appreciate any support you can offer. Sponsorships will be honored on a first-come, first-serve basis. Your spot is secured when payment is received.
